EDUCATION

Doctor of Pharmacy
University of Louisiana at Monroe
Monroe, Louisiana
May 2003

CERTIFICATIONS

Making a Difference in Infectious Diseases (MAD-ID)
Advanced Antimicrobial Stewardship Certificate
In progress

Society of Infectious Diseases Pharmacists (SIDP)
Antimicrobial Stewardship Certificate
July 2018

LICENSURE

Arkansas State Board of Pharmacy, PD 10208
September 2005 – Present

Louisiana State Board of Pharmacy, PST 17220
July 2003 – Present

National Provider Identification # 1427269158

ACADEMIC APPOINTMENTS AND PROFESSIONAL EXPERIENCE

Associate Professor (non-tenure track)
July 2013 – present
Assistant Professor (non-tenure track)
September 2005 – June 2013
College of Pharmacy, Department of Pharmacy Practice
University of Arkansas for Medical Sciences
Little Rock, AR

- 50/50 position with UAMS and St. Bernards Medical Center to provide teaching, scholarship, and service
- Provide clinical pharmacy services for St. Bernards Medical Center while providing an advanced acute care experiential site for Doctor of Pharmacy candidates and learning experience for PGY1 pharmacy residents
 - Initial clinical practice emphasis was internal medicine which became more focused in infectious diseases and antimicrobial stewardship
- Didactic teaching responsibilities for Doctor of Pharmacy candidates in Therapeutics courses and infectious diseases elective

Assistant Professor (non-tenure track)

College of Pharmacy, Department of Clinical and Administrative Sciences

University of Louisiana at Monroe

Monroe, LA

December 2003 – August 2005

- Provided ambulatory care anticoagulation management for approximately 145 patients under a Collaborative Practice Demonstration Project under the auspices of the Louisiana State Board of Pharmacy and the Louisiana State Board of Medical Examiners at Glenwood Regional Medical Center
- Teaching responsibilities for Doctor of Pharmacy candidates (didactic/experiential) and College of Health Sciences students (didactic)

Staff Pharmacist/Pharmacy Intern

Wal-Mart Pharmacy

Jonesboro, Louisiana

Pharmacist, July 2003 – December 2005; Pharmacy Intern, December 2001 – July 2003

- Supervising pharmacy technicians
- Counseling about prescription and over-the-counter medications
- Filling and dispensing prescriptions
- Finalization of cash/credit sales
- Merchandise pricing and inventory control

Corporate Pharmacy Intern

Wal-Mart Home Office – Pharmacy Division

Bentonville, Arkansas

May 2001– August 2001

- Assisted with areas including Operations, Professional Services, Merchandising/Marketing, Computer Systems, and Human Resources
 - Writing – compiled original operations procedures, recruiting pamphlets, website
 - Communication – pharmacy schools, state pharmacy boards, district managers, corporate management
 - Leadership/Teamwork – group intern project leader, marketed Reli-On[®] products to American Association of Diabetes Educators, acquired funding for Wal-Mart Pharmacy's live continuing education program

Pharmacy Intern
Mitchell's Pharmacy
Jonesboro, Louisiana
May 2000 – January 2001

- Assisted in the correct filling and dispensing of prescriptions
- Finalization of cash/credit sales
- Assisted with merchandise pricing and inventory control

TEACHING

I. Didactic

UAMS Pharmacy Practice 7302 – Therapeutics II

Viral Hepatitis (*2 hour lecture*), *Fall 2019 – present*

Lower Respiratory Tract Infections (*1.5 hour lecture*), *Fall 2021 – present*

Tick Borne Diseases (*0.5 hour lecture*), *Fall 2021 – present*

Skin and Soft Tissue Infections (*1 hour lecture*), *Fall 2021 – present*

Urinary Tract Infections and Asymptomatic Bacteriuria (*1 hour lecture*), *Fall 2021 – present*

Intra-abdominal and *C. difficile* Infections (*1 hour lecture*), *Fall 2019 – present*

Bloodstream and Line Infections (*1 hour lecture*), *Fall 2019 – present*

Infective Endocarditis (*1 hour lecture*), *Fall 2019 – present*

University of Arkansas for Medical Sciences, *2019 – present*

UAMS Pharmacy Practice 7375 – Infectious Diseases and Stewardship Elective

COURSE COORDINATOR, Lecturer, and Active Learning Facilitator

Infectious diseases resources and duration of therapy, *Spring 2022 – present*

Spectrum of activity (MRSA and VRE) and antibiotic allergies, *Spring 2022 – present*

Spectrum of activity (*Pseudomonas*), antibiograms, and empiric antibiotic therapy, *Spring 2022 – present*

Spectrum of activity (beta-lactamase producing organisms) and definitive therapy part 1, *Spring 2022 – present*

Spectrum of activity (carbapenamase producing organisms) and definitive therapy part 2, *Spring 2022 – present*

Spectrum of activity (anaerobic and atypical organisms) and infectious diseases and antibiotic monitoring, *Spring 2022 – present*

Infectious diseases transitions of care, *Spring 2022 – present*

CDC Antimicrobial Stewardship Core Elements, *Spring 2022 – present*

Facilitator of written provider recommendations and order set development, *Spring 2022 – present*

Facilitator of verbal provider recommendations and order set development, *Spring 2022 – present*

Infection prevention and example antimicrobial stewardship projects and facilitator of antibiotic education development, *Spring 2022 – present*

Clinical Laboratory Standards Institute susceptibility breakpoints and facilitator of antibiotic education development, *Spring 2022 – present*

Microbiology equipment and diagnostic stewardship and facilitator of antibiotic education development, *Spring 2022 – present*

UAMS Pharmacy Practice 7203 – Therapeutics I

- Inflammatory Bowel Disease (2 hour lecture), *Spring 2007 – 2021*
- Acute and Chronic Pancreatitis (1 hour lecture), *Spring 2007 – 2020*
- Gastroesophageal Reflux Disease (1 hour lecture), *Spring 2013 - 2020*
- Peptic Ulcer Disease (1 hour lecture), *Spring 2013 – 2020*
- Non-variceal Gastrointestinal Bleeding (1 hour lecture), *Spring 2014 – 2020*
- Introduction to Liver Disease (1 hour lecture), *Spring 2015 – 2021*
- Alcoholic Liver Disease/Non-alcoholic steatohepatitis (1 hour lecture), *Spring 2015 – 2021*
- Complications of Cirrhosis (2 hour lecture), *Spring 2015 – 2021*
- Constipation (1 hour lecture), *Spring 2015*
- Drug-Induced Liver Disease (1 hour lecture), Spring 2018 – 2021*

University of Arkansas for Medical Sciences, *2007 – present*

ASU Nursing 4343 – Community Theory

- Antibiotic Review (*invited 1 ½ hour guest lecture*)
- Arkansas State University College of Nursing and Health Professions, *Fall 2008, Spring 2009, Fall 2009, Fall 2010, Spring 2012*

What’s New in Diabetes (*invited 1 ½ hour guest lecture*)

Arkansas State University College of Nursing and Health Professions, *Spring 2007*

ULM Pharmacy 446 – Nonprescription Medications and Self-Care – COURSE COORDINATOR and Lecturer

- Self-Care and Nonprescription Pharmacotherapy
- Patient Assessment and Consultation
- Cultural, Legal, and Regulatory issues
- Allergy, Cold, and Cough

University of Louisiana at Monroe, *Spring 2005*

ULM Pharmacy 585 – Disease/Pathology I

- Dyslipidemia and Atherosclerosis

University of Louisiana at Monroe, *Fall 2004, Summer 2004*

ULM Pharmacy 280 – Principles of Pharmacology (Nursing Pharmacology)

- Dyslipidemia and Atherosclerosis
- Coagulation Disorders
- Inflammation, Allergies, and Immune Disorders
- Pulmonary Disorders
- Muscle Spasms and Bone Disorders
- Skin Disorders

University of Louisiana at Monroe, *Spring 2005, Fall 2004, Summer 2004*

- Gastrointestinal Disorders
- Eye and Ear Disorders

University of Louisiana at Monroe, *Fall 2004, Summer 2004*

ULM Pharmacy Board Review
NAPLEX Calculations Review
University of Louisiana at Monroe, *May 2004*
ULM Pharmacy 426 – Aging/Drug Use in the Elderly
Care for the Dying Patient
University of Louisiana at Monroe, *Spring 2003*
ULM Pharmacy 557 – Pharmacotherapeutics Forum
Non-Depolarizing Muscular Blockers
University of Louisiana at Monroe, *Spring 2002*

II. Experiential

Pharmacy Practice 7411/7414 – Advanced Experiential – Acute Care (*average at least 20 hours per week in direct student interaction*)
University of Arkansas for Medical Sciences, *Summer 2006 – present*

Pharmacy 604 – Advanced Experiential – Ambulatory Care
University of Louisiana at Monroe, *Spring 2004 - Spring 2005*

III. Post-graduate Experiential

UAMS Family Medicine and St. Bernards Medical Center Internal Medicine
Residency Programs, *2017 – present*
Conference lecturer, *2017 – present*

Pharmacy Post Graduate Year 1 (PGY1) Pharmacy Residency Program
St. Bernards Medical Center, *2011 – 2014; 2020 – present*

Preceptor:

Antimicrobial Stewardship (required), *2011 – 2014; 2020 – present*
Academic/Preceptorship (required), *2013 – 2014*
Internal Medicine (required), *2011 – 2012 and 2012 – 2013 co-preceptor*
and preceptor mentor for new preceptor of record
Cardiology (elective), *2011 – 2012*

Research Mentor:

2013-14: “Association of vancomycin loading dose administration with time to therapeutic level”
2012-13: “Effect upon patient satisfaction with pharmacist intervention at time of admission and discharge”
2011-12: “Impact of pharmacist-driven antimicrobial stewardship activities in a community hospital”
“Implementation of an inpatient warfarin management service by pharmacists”

Teaching Mentor:

2021-22: Sarah Steely, PharmD, and Linh Nguyen, PharmD
2013-14: Russ Pierce, Pharm.D, Justin Piker, Pharm.D., and Shervin Izadian, Pharm.D.
2012-13: Mandy Young, Pharm.D.

PRESENTATIONS

I. Professional Continuing Education

Pharmacists

2021

A Fantastic Point of View: Sharing New AMS Possibilities

(coordinator, moderator, speaker; *invited*)

55th Annual Fall Seminar, Arkansas Association of Health-System Pharmacists

Virtual Conference due to COVID-19

Surviving COVID-19: Navigating Treatment and Prevention

(*invited*)

2021 Annual Gerald J. Glass Memorial Lecture

Virtual Lecture due to COVID-19

2018

Building on your AMS Foundation...Allergies, Micro, and Antibiograms (coordinator, speaker; *invited*)

52nd Annual Fall Seminar, Arkansas Association of Health-System Pharmacists

Little Rock, AR

2017

Antimicrobial Stewardship: Program Implementation Successes and Lessons Learned from the Joint Commission (coordinator, speaker; *invited*)

51st Annual Fall Seminar, Arkansas Association of Health-System Pharmacists

North Little Rock, AR

Knowledge is Power: Antimicrobial Basics for Healthcare Professionals (*invited*)

Arkansas Association of Health-System Pharmacists

Live webinar

St. Bernards Medical Center, Pharmacy Department

Jonesboro, AR

2014

The “In’s” and “Out’s” of UTI Treatment

St. Bernards Medical Center, Pharmacy Department

Jonesboro, AR

- Clear the Air: Correct Treatment of Inpatient Pneumonias and COPD
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- 2013** Preceptor Development Part 1: Who, Why, and How?
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- 2012** Can Outpatient Herbal use Impact Hospital Care? (*invited*)
46th Annual Fall Seminar, Arkansas Association of Health-System Pharmacists
Hot Springs, AR
- 2010-11** ABCs for Pharmacists: Antibiotic Basic Competencies Part 1 and Part 2
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR – July and August 2010, repeated for new staff in August 2011
- 2009** Drug-Induced Diseases and Adverse Events (*invited*)
UAMS College of Pharmacy sponsored continuing education
Jonesboro, AR
- 2008** The Nitty-Gritty of Warfarin Therapy Management
St. Bernards Medical Center, Pharmacy Department (updated)
Jonesboro, AR
- 2007** The Nitty-Gritty of Warfarin Therapy Management (*invited*)
UAMS College of Pharmacy sponsored continuing education
Jonesboro, AR
- Management of Irritable Bowel Disease (IBS) (*invited*)
Spring Meeting, Arkansas Association of Health-System Pharmacists Little Rock, AR
- 2006** Evaluating the Antibigram: A Necessity for Curtailing Resistance in Your Institution-Pharmacist Must Get Involved - Part 2 (panel discussion participant) (*invited*)
40th Annual Fall Seminar, Arkansas Association of Health-System Pharmacists
Ridgedale, MO
- 2005** Optimal Health and Well-Being at Any-Age: Supplements to Keep Healthy (*invited*)

National Association of Chain Drug Stores and the NACDS Foundation Wal-Mart Stores, Inc.
Bentonville, AR (live-feed nationwide on Wal-Mart employee television)

2004 Preceptor Training Program (*invited*)
ULM College of Pharmacy sponsored continuing education
Louisiana Society of Health-System Pharmacists Mid-Year Meeting
Shreveport, LA – October 2004
University of Louisiana at Monroe – September 2004

Nurses

2010 Antimicrobial Stewardship for Nurses (*invited*)
3rd Annual Northeastern Arkansas Nursing Conference
Jonesboro, AR

2009 A Nurse's Guide to Warfarin in the Inpatient Setting (*invited*)
2nd Annual Northeastern Arkansas Nursing Conference
Jonesboro, AR

Anticoagulation in the Older Adult (*invited*)
UAMS Center on Aging – Northeast
Jonesboro, AR

2007 Overview of Vancomycin and Aminoglycosides
St. Bernards Medical Center
Jonesboro, AR

Physicians

2020 S.E.A: Selecting Evidenced-based Antibiotics
St. Bernards Medical Center Clinical Efficiency Program
Physicians
Jonesboro, AR

Interdisciplinary

2019 Making the Most of ASP Interventions (speaker; *invited*)
Arkansas Antimicrobial Stewardship Summit
Baptist Health
Little Rock, AR

Dilemma Solving (coach and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals
and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of

Health
Little Rock, AR

Outpatient Stewardship and Education (speaker, coach, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar

Specimen Collection & Respiratory and Skin Infections (speaker, coach, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar

Bugs and Drugs & *C. difficile* (speaker, coach, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar

Pharmacy-led Interventions and Allergies (speaker, coach, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar

UTI and Asymptomatic Bacteriuria (speaker, coach, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar

- Antimicrobial Stewardship Tracking and Reporting (speaker, coach, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar series
- 2018**
- Antibiograms (speaker, coach, and consultant, *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes
Arkansas Foundation of Medical Care and Arkansas Department of Health
Webinar
- Physician Engagement: Team-based Approach and Best Practices for Antibiotic Stewardship (speaker, moderator, and consultant; *invited*)
Arkansas Antimicrobial Stewardship Collaborative for Hospitals and Nursing Homes Kick-off Event
Arkansas Foundation of Medical Care and Arkansas Department of Health
North Little Rock, AR
- Antimicrobial Stewardship for Critical Access Hospitals (*invited*)
Arkansas Foundation of Medical Care's Annual Critical Access Hospital Workshop
Little Rock, AR
- Outpatient Antimicrobial Stewardship Program (*invited*)
Texas Medical Foundation Quality Innovation Network Annual Conference
Webinar
- 2016**
- The Role of the Pharmacist in ABS (speaker and moderator; *invited*)
Arkansas Hospital Association and Arkansas Association of Health-System Pharmacists Antimicrobial Stewardship Collaborative Meeting
Little Rock, AR
- 2015**
- Hospital Story: Pharmacy-Led Collaborative For Antimicrobial Stewardship – Part 3 (*invited*)
Arkansas Hospital Association and Arkansas Association Health-System Pharmacists Antimicrobial Stewardship Collaborative

Meeting
Little Rock, AR

Update on Current Statewide Antimicrobial Stewardship
Collaborative Efforts (*invited*)
Marsha Crader, PharmD and Buddy Newton, MD
Antimicrobial Stewardship and One Health sponsored by One
Health Arkansas
Little Rock, AR

Health-system Pharmacy Panel Expert (*invited*)
Arkansas Pharmacists Association, District 2 Meeting
Jonesboro, AR

Knowledge is Power: Antimicrobial Basics for Healthcare
Providers (*invited*)
Arkansas Hospital Association and Arkansas Association Health-
System Pharmacists Antimicrobial Stewardship Collaborative
Members
Live webinar

Insulin and Medication Therapy for Type 1 and Type 2 Diabetes
Mellitus (*invited*)
Diabetes Update for Health Care Providers sponsored by the
Arkansas State University – College of Nursing and Health
Professions
Jonesboro, AR

2014 Health-system Pharmacy Panel Expert (*invited*)
Arkansas Pharmacists Association, District 2 Meeting
Jonesboro, AR

2013 Autism Spectrum Disorder (ASD): one family's ongoing
journey...hoping to provide awareness of ASD, treatment, and
resources (*invited*)
St. Bernards Medical Center Grand Rounds
Jonesboro, AR

Antimicrobial Stewardship in Practice in Arkansas: Success,
Failures, and Challenges (*invited*)

Arkansas Antimicrobial Stewardship Conference: Developing a
Collaborative Approach sponsored by the Arkansas College of
Clinical Pharmacy and the Arkansas Department of Health

(invited)
Little Rock, AR

Health-system Pharmacy Panel Expert *(invited)*
Arkansas Pharmacists Association, District 2 Meeting
Jonesboro, AR

- 2012** Diabetes Pharmacological Management *(invited)*
Diabetes Update for the Health Care Provider
Arkansas State University
Jonesboro, AR
- 2011** Drug-Induced Diseases and Adverse Effects *(invited; updated lecture)*
St. Bernards Medical Center Grand Rounds
Jonesboro, AR
- 2010** How We Cured Parkinson's disease *(invited)*
Dr. Crader , Dr. McNerney, and Dr. Mulligan
St. Bernards Medical Center Grand Rounds
Jonesboro, AR
- 2009** Clinical Pearls of Warfarin Therapy *(invited)*
St. Bernards Medical Center Grand Rounds
Jonesboro, AR
- 2007** Asthma Management: Medications *(invited)*
Asthma Educator Certificate Preparatory Course
American Lung Association
Jonesboro, AR
- 2006** What's New in Diabetes *(invited)*
Diabetes Educator Continuing Education
Arkansas State University
Jonesboro, AR

II. Panel Expert/Moderator (no continuing education provided)

Pharmacists

- 2017** Antimicrobial Stewardship Roundtable Moderator *(invited)*
51st Annual Fall Seminar, Arkansas Association of Health-System Pharmacists
North Little Rock, AR

2015 Clinical Coordinators Roundtable Moderator (*invited*)
49th Annual Fall Seminar, Arkansas Association of Health-System
Pharmacists
Little Rock, AR

2013 Effective Leadership (speaker and moderator)
Resident Roundtable Session, 47th Annual Fall Seminar, Arkansas
Association of Health-System Pharmacists
Little Rock, AR

III. Staff In-services

Pharmacists

2021 Antimicrobial Stewardship and Microbiology Education and
Updates
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

2020 Antibiotic Allergy Education
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

Antimicrobial Stewardship and Microbiology Education and
Updates (2 part series)
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

2019 Antimicrobial Stewardship and Microbiology Education and
Updates
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

2018 The “In’s” and “Out’s” of UTI Treatment (updated)
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

2010-11 Antibiotic Mini-Reviews
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

2009 Vancomycin Dosing: 2009 Update
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR

- 2008** Overview of Vancomycin and Aminoglycosides
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- 2007** Antibigrams: What a St. Bernards' Pharmacist Needs to Know
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- 2006-07** Review of Pharmacokinetics (on-going education series with staff pharmacists)
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- Antibiotic Management (one-on-one education with staff pharmacists)
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- 2006** The Nitty-Gritty of Warfarin Drug-Drug Interactions
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- Safety Measures for High Risk Drugs and Handling of Cytotoxic Agents
St. Bernards Medical Center, Pharmacy Department
Jonesboro, AR
- Nurses**
- 2019** Antimicrobial Stewardship Resources, Annual Goals, and Antibiotic Pearls (for nurse practitioners and physician assistants)
St. Bernards Medical Center
Jonesboro, AR
- 2010** Overview of Vancomycin and Aminoglycosides – developed PowerPoint and accompanying pocket card reference for roving education by nursing
St. Bernards Medical Center
Jonesboro, AR
- 2009** Overview of Vancomycin and Aminoglycosides – also developed PowerPoint and trained nursing educator to use during orientation medication classes
St. Bernards Medical Center
Jonesboro, AR

Physicians

- 2020** Antimicrobial Stewardship Program and Community Acquired Pneumonia Guideline Updates (*invited*)
St. Bernards Medical Center Medical Staff Meeting
Jonesboro, AR
- 2019** Outpatient Antimicrobial Stewardship Joint Commission Requirements, Goals, and Ways to Improve Antibiotics Usage
St. Bernards Medical Center Outpatient Clinic Medical Staff
Jonesboro, AR
- Antimicrobial Stewardship Program Updates (*invited*)
St. Bernards Medical Center Medical Staff Meeting
Jonesboro, AR
- 2018** Antimicrobial Stewardship Program Updates (*invited*)
St. Bernards Medical Center Medical Staff Meeting
Jonesboro, AR
- 2017** Antimicrobial Stewardship Program Updates (*invited*)
St. Bernards Medical Center Medical Staff Meeting
Jonesboro, AR
- 2008** Rationale for Anticoagulation Bridging – CHEST updates (*invited*)
St. Bernards Medical Center Medical Staff Meetings
Jonesboro, AR

Interdisciplinary

- 2004-05** Establishing a New Anticoagulation Clinic
Glenwood Anticoagulation Clinic
West Monroe, LA (April 2004, April 2005)
- 2003** Review of Abilify
St. Vincent DePaul Pharmacy
Monroe, LA
- 2003** Article Review: “Effectiveness of Pharmacist’s Care for Patients with Reactive Airways Disease”
St. Vincent DePaul Pharmacy
Monroe, LA
- 2003** Review of Metaglip
St. Vincent DePaul Pharmacy
Monroe, LA

2002

Review of Lantus, Kineret, Bextra, Actonel, Zometa, and Zemplar
St. Francis Medical Center
Monroe, LA

ASHP Midyear Clinical Meeting, Orlando, FL – December 2008

Arkansas Association of Health-System Pharmacists Fall Seminar, Tunica, MS – October 2008

Crader MF, Garris C. Implementation of a pro re nata (PRN) order set at a transitional care facility (TCF) in a regional acute care institution to comply with the Centers for Medicare and Medicaid Services (CMS) guidelines. ASHP Midyear Clinical Meeting. 42(DEC). 2007. **Poster Presentation**

ASHP Midyear Clinical Meeting, Las Vegas, NV – December 2007

Arkansas Association of Health-System Pharmacists Fall Seminar, Little Rock, AR – October 2007

Crader MF, Garris C. Incidence of Adverse Drug Reaction (ADR) reporting in a regional acute care institution and its outpatient facilities with college of pharmacy affiliation. ASHP Midyear Clinical Meeting. 41(Dec). 2006. **Poster Presentation**

ASHP Midyear Clinical Meeting, Anaheim, CA – December 2006

Arkansas Association of Health-System Pharmacists Fall Seminar, Ridgedale, MO – October 2006

Resident-Mentored

Nguyen, L, Davis A, Taylor P, and **Crader MF.** Impact of Pharmacist-driven Methicillin-resistant *Staphylococcus aureus* Nasal Screens on Duration of Antibiotic Therapy in Patients with Respiratory Infections. **Resident Poster Presentation**

ASHP Midyear Clinical Meeting, virtual due to COVID-19 – December 2021

Izadian SD and **Crader MF.** Association of Vancomycin Loading Dose Administration with Time to Therapeutic Level. **Resident Poster Presentation**

ASHP Midyear Clinical Meeting, Orlando, FL – December 2013

Young M, **Crader MF, Garris C.** Effect upon patient satisfaction with pharmacist intervention at time of admission and discharge, **Resident Platform and Poster Presentation**

Midsouth Pharmacy Resident Conference, Memphis, TN – April 2013

ASHP Midyear Clinical Meeting, Las Vegas, NV – December 2013

Cochran SJ, **Crader MF**, Garris C, Capers W. Impact of pharmacist driven antimicrobial stewardship program in a community hospital. **Resident Platform and Poster Presentation**

Midwest Pharmacy Resident Conference, Omaha, NE – May 2012
ASHP Midyear Clinical Meeting, New Orleans, LA – December 2011

Cavanaugh A, **Crader MF**, Garris C, Capers W. Impact of an inpatient warfarin management service by pharmacists in a community hospital. **Resident Platform and Poster Presentation**

Midwest Pharmacy Resident Conference, Omaha, NE – May 2012
ASHP Midyear Clinical Meeting, New Orleans, LA – December 2011

Student-Mentored

Turner M and **Crader MF**. Evaluation of Carbapenem Utilization at a Community Hospital. **Poster Presentation**

Arkansas Association of Health-System Pharmacists Fall Seminar, North Little Rock, AR – October 2019 (1st place award for student posters)

III. Professional Newsletter

Steffenson MB, **Fannin ML**. Collaborative Practice Demonstration Project. *Newsletter of the Louisiana Society of Health-System Pharmacists*. 2006; 15: 6.

IV. Patient Education

Crader, M. “Do’s and Don’ts of Warfarin Therapy” *Seniority*, Center on Aging – Northeast Community Newsletter. Fall 2010

Zagar M, **Crader M**, and Massey M. Tips for Healthy Living after a Heart Attack. Baton Rouge, LA: *Louisiana Medicaid Pharmacy Benefits Management Program*; 2006. Lipid Series, R4.

RESEARCH

Co-Investigator with principal investigator Nguyen L. *Impact of Pharmacist-driven Methicillin-resistant Staphylococcus aureus Nasal Screens on Duration of Antibiotic Therapy in Patients with Respiratory Infections* St. Bernards Medical Center, November 2021 – present.

Co-Investigator with principal investigator Izadian SD. *Association of Vancomycin Loading Dose Administration with Time to Therapeutic Level*, St. Bernards Medical Center, August 2013 – April 2014

Co-Investigator with principal investigator Cochran SJ and co-investigator Garris CE. *Impact of Pharmacist-Driven Antimicrobial Stewardship Activities in a Community Hospital*, St. Bernards Medical Center, August 2011 – May 2012

Co-Investigator with principal investigator Cavanaugh A. *Implementation of an Inpatient Warfarin Management Service by Pharmacists*, St. Bernards Medical Center, August 2011 – May 2012

Principal investigator. *Effect of Education on Pharmacists' Antimicrobial Knowledge*, St. Bernards Medical Center, July 2010 – May 2011

Co-investigator and research coordinator with principal investigator Nix ES and co-investigator Anderson BC. *Nursing Behaviors Related to Peak and Trough Dosing of Vancomycin and Aminoglycosides*, St. Bernards Medical Center, April 2009- March 2010

GRANTS

I. Funded Proposals

Fannin ML, Steffenson MB. *Key Clinical Information Resources for Training Pharmacy Students in the Ambulatory Care Setting: Diabetes, Hypertension, Hyperlipidemia, and related Cardiovascular Disease*. Submitted May 2005 to the Faculty Development Awards Program, ULM Department of Clinical and Administrative Sciences - Accepted August 2005.

II. Unfunded Proposals

Mulligan T, **Crader M**, Garris C, Parker B, Wing G. *Decreasing Inappropriate and Unnecessarily Expensive Medication Use among Older Adults in Northeast Arkansas*. Submitted May 2007 to the Arkansas Tobacco Settlement Commission Community Grants

CONSULTING

- I.** Arkansas Antimicrobial Stewardship Statewide Collaborative for Hospitals and Nursing Homes
Centers for Disease Control and Prevention grant awarded to the Arkansas Department of Health with the Arkansas Foundation of Medical Care executing the logistics of the grant
Pharmacist consultant with helping to recruit facilities to join the collaborative and utilize the antimicrobial stewardship certificate scholarship, compile antimicrobial stewardship assessment questions, develop an on-line toolkit, create live monthly educational programs that include education/recruitment of facilities to share stewardship stories/participant coaching, and targeted consultation for specific facilities, etc.

AWARDS AND HONORS

American Society of Health-System Pharmacists Fellow – 2020

VigiLanz “Wow Winner” Award as part of the St. Bernards Medical Center Clinical Pharmacy Team – 2020

Who’s Who in Pharmacy Academia – 2011

Arkansas Association of Health-System Pharmacists Clinician of the Year – 2010

“This is an annual award established by AAHP to recognize the accomplishments of a pharmacist in a clinical pharmacy position who provides an innovative approach to pharmaceutical care, has made outstanding contributions to clinical pharmacy, and serves as role model for fellow clinicians. It recognizes the exceptional work of the recipient during the last 12-18 months.”

Montclair’s Who’s Who Among Collegiate Faculty – 2010

Distinguished Professionals On-line – 2010

Cambridge Who’s Who Registry among Executive and Professional Women in the Pharmaceutical Industry – 2009

The ASHP Midyear Clinical Meeting poster “*Effect on sepsis mortality rate at a regional acute care institution after implementation of the Institute of Healthcare Improvement (IHI) sepsis bundles*” was selected to be featured on ASHP’s Quality Improvement Initiative Resource Center as a virtual poster session – live as of February 2009

Arkansas Association of Health-System Pharmacists New Practitioner of the Year – 2008

“This is an annual award established by AAHP to recognize a pharmacist who has been active in the practice of pharmacy for 7 years or less and displays leadership, professionalism, and dedication to the future of health-system pharmacy. It recognizes the exceptional work of the recipient during the last 12 to 18 months.”

Cum Laude Latin Honors, ULM – 2003

APhA Mortar and Pestle Professionalism Award – ULM 2003

University of Louisiana at Monroe Woman of the Year – ULM 2002; Top 3 Finalist, ULM 2001

Who’s Who Among Students in American Universities and Colleges – ULM 2000

Phi Kappa Phi Honor Society, Member and Outstanding Senior Initiate – ULM 2000

Alpha Lambda Delta Freshman Honor Society – LSU 1998

Phi Eta Sigma Freshman Honor Society – LSU 1998

All-American Collegiate Award – LSU 1998

PROFESSIONAL MEMBERSHIPS AND LEADERSHIP ROLES

Current

American Society of Health-System Pharmacists (ASHP)

Member 2004 – present

Commission on Affiliate Relations (COAR) Member, June 2016 – June 2019

-ASHP Policy Week – 2016, 2017, and 2018

Arkansas Association of Health-System Pharmacists (AAHP)

Member 2006 – present

Antimicrobial Stewardship Task Force Chair, June 2017 – present

-Organize and lead task force, obtain/provide educational opportunities, provide e-mail networking platform, provide tools and resources for U.S. Antibiotics Awareness Week, liaison for the Arkansas Department of Health (ADH) Antimicrobial Stewardship Sub-committee of Healthcare-Associated Infection Advisory Committee

Treasurer, June 2016 – June 2017

-Worked with board to revise accounting codes, annual budget, travel expense form, and other ongoing accounting processes suggested by the 2015 Approved Upon Procedure (AUP) findings
-Worked with board to change long-term investments to another management company

Immediate Past President, June 2015 – June 2016

-AAHP Fall Seminar Committee, June 2015 – October 2015
-Junior Board Member Mentor, July 2015 – June 2016
-Membership and Communication Council Chair Mentor
-Completion of commitments during presidential term

Arkansas Hospital Association and AAHP Antimicrobial Stewardship Collaborative, Stake holder and assisted chair as needed with ideas, communication, materials, and education to be disseminated to the collaborative January 2015 – present

President, June 2014 – June 2015

-Platform: Increase membership services and improve viability of organization through updated policies/procedures and increase membership involvement
-Additional services implemented by organization during term:
1) Surveys to identify membership needs;
2) Live, ACPE-accredited continuing education via webinars;
3) Monthly e-mail communication with membership;
4) AAHP new member mentor program;
5) Professional interest group contact information via member-only website;
6) Continuation of AAHP/Arkansas Hospital Association Collaborative for pharmacist-driven initiatives (adverse drug events and antimicrobial stewardship);
7) Addition of junior board members from Arkansas' colleges of pharmacy;
8) Silent auction for additional revenue stream
-Membership and Communications Chair (completed appointment for volunteer unable to complete term), January 2015 – June 2015
-ASHP Pharmacy Practice Model Initiative Address to state student societies: The Future of Pharmacy Practice, and How Can I be Involved? – October 2014
-AAHP Presidential Address: 3 Ways of Improving the Pharmacy Profession through Improving You – October 2014
-Fall Seminar Committee: exhibitor co-chair, May 2014 – June 2015

President-elect, October 2012 – June 2014

Bylaws *ad hoc* Committee, 2011-2014

Secretary, October 2009 – October 2012

-ASHP state affiliation renewal – July 2010

Fall Seminar Speaker Chair, 2009

Arkansas Pharmacists Association (APA)

Member, 2006 – present

Government Affairs Committee, 2015 – 2016
Board member, June 2014 – June 2015
Arkansas Department of Health (ADH)
Member of Antimicrobial Stewardship Sub-committee of Healthcare-Associated
Infection Advisory Committee, April 2017 – present
Pharmacist co-chair, January 2020 – December 2023
-Development of antimicrobial stewardship pharmacist survey with ADH
Rho Chi
Life Member
Vice President of ULM student chapter, 2001 – 2002
Phi Lambda Sigma
Life Member

Previous

Texas Medical Foundation (TMF)
Multi-disciplinary Advisory Group for Outpatient Antimicrobial Stewardship,
November 2018 – December 2019
Arkansas Chapter of the American College of Clinical Pharmacy
Member, 2014 – 2017
American Association of Colleges of Pharmacy
Member, 2009 – 2013; 2004
Annual Meeting Faculty Voting Delegate, 2004
American Pharmaceutical Association
ULM Faculty Representative, Self-Care Institute, 2004 – 2005
Academy of Students of Pharmacy
Member, 1999 – 2003
Vice President, 2001 – 2002
Membership Coordinator, 2000 – 2001
Mid-Year Regional Voting Delegate, 2000
Louisiana Society of Health-System Pharmacists
Member, 1999 – 2005
ULM Faculty Co-Advisor, 2004 – 2005
Louisiana Pharmacists Association
Member, 2004

St. Bernards Medical Center Clinical Service

Clinical Service

2016-present

Pharmacist leader (co-director) of SBMC Antimicrobial Stewardship Program

- Work with physician leaders of the SBMC Inpatient and Outpatient Antimicrobial Stewardship Programs to ensure requirements for regulatory agencies are met
- Work with physician leaders and Clinical Efficiency Program Antimicrobial Stewardship (CEP-AS) Subcommittee to implement education and improvement initiatives to ensure appropriate and cost effective use of antimicrobial agents to improve patient outcomes, including initiatives identified through data collection and analysis
 - Ensure compliance with Joint Commission Medication Management Standard MM.09.01.01 and CMS section 485.640(b)
 - Create and update antimicrobial-related physician inpatient order sets outpatient protocols based on national guidelines and local susceptibility data
 - Compile and review inpatient, outpatient, intensive care, and pediatric antibiograms for trends and changes needed in empiric therapy (e.g., MRSA, ESBLs, *Pseudomonas*, anaerobes)
 - Calculate and trend days of antibiotic therapy per 1000 patient days and other measures as appropriate
 - Build IT alerts and create reports in clinical surveillance software
 - Work with microbiology lab and infection prevention for potential opportunities for improvement (e.g., ESBL susceptibility results, blood culture specimen collection, MDRO definitions and testing, *C. difficile* test and urine culture ordering)

- Collect, track, analyze, and report antimicrobial usage, antimicrobial documentation policy adherence, facility-specific order set utilization, and pharmacist prospective audit and feedback recommendations and acceptance rate
- Work with physicians, pharmacists, nursing, microbiology, etc. to improve education and processes for antibiotic de-escalation (e.g., obtaining MALDI-TOF and PCR lab equipment, de-escalation of MRSA coverage in health-care associated pneumonia patients, penicillin/cephalosporin allergy education and assessments)
- Develop and provide education to appropriate health-care providers
- Provide assistance to critical access hospitals that are owned/managed by SBMC
- Participate as needed in appropriate committees, collaboratives at the local, state, and national level
- Participate in community education (e.g., annual HMG Health and Wellness Expo, U.S. Antibiotic Awareness Week, as needed education during COVID-19)

2010-present

Pharmacist antimicrobial stewardship/ID rounds, clinical pharmacist

- Review for appropriate antibiotic usage including empiric therapy, “bug-drug” mismatch, de-escalation, drug-drug interactions, dosing, length of therapy, etc.
- Follow-up with prescribers regarding therapy and make automatic changes per the Pharmacy and Therapeutics Committee (i.e., renal dosing and intravenous to oral conversions)
- Rounding includes presentation of complicated patients to infectious diseases physician for his expert opinion on difficult cases, 2010-2013; ID rounds with interdisciplinary team, 2019-present

2014-15

St. Bernards Clopton Clinic, part-time clinical pharmacist

- Helped begin medication therapeutic management services at Clopton Clinic as part of the CMS Comprehensive Primary Care Initiative
- Provide chart reviews, patient counseling, transitions of care services, and any other duties related to medication management for high risk patients

- Developed and implemented collaborative practice agreement for pharmacist-managed warfarin dosing service, 2015
- 2006-14 Hospice, clinical pharmacist
 - As needed pharmacist for both outpatient and inpatient hospice services
 - Attend interdisciplinary meetings and provide chart reviews to ensure appropriate medication therapy and to comply with regulatory requirements
- 2006-14 Pharmacokinetics dosing, clinical pharmacist
 - Established pharmacokinetics dosing service
 - Provided house-wide services, 2006-08
 - Provide services, education, and expert opinion as needed
- 2006-13 Senior Health Clinic, clinical pharmacist
 - Review for appropriate medication therapy and monitoring in addition to anticoagulation/other medication consults
 - Provide patient education as needed
- 2006-10 Internal medicine rounds, clinical pharmacist
 - First pharmacist to round with physician in hospital which led to rounding with other specialties
 - Review for appropriate medication therapy/monitoring and ensure CMS core measures and Joint Commission National Patient Safety Goals are met
- 2005-07 Transitional Care Facility, clinical pharmacist
 - Chart reviews for appropriate medication therapy, monitoring, and documentation
 - Weekly interdisciplinary meetings for skilled nursing facility patients

Committee/Workgroup Service

- 2005-present Pharmacy and Therapeutics Committee
 - Pharmacist co-chair: 2014-present
 - Secretary: 2005-2014
 - Medication utilization evaluations (MUEs), new drug monographs, comparison of medication classes for therapeutic auto-substitution, literature reviews, policy/procedure development/revisions, interdisciplinary education, etc.
 - MUEs
 - 2021: ceftolozane/tazobactam (Zerbaxa), ceftaroline (Teflaro), fidaxomicin (Dificid)
 - 2019: carbapenems

- 2018: Liraglutide (Victoza), Canagliflozin (Invokana)
 - 2017: prothrombin complex concentrate (Kcentra)
 - 2016: liposomal bupivacaine (Exparel), canagliflozin (Invokana), idarucizumab (Praxbind)
 - 2014: linezolid
 - 2010: albumin
 - 2009: vancomycin, intravenous to oral medication conversions
 - 2008: tigecycline (Tygacil), meperidine (Demerol), ertapenem (Invanz)
 - 2007: levalbuterol (Xopenex), vitamin K
 - 2006: vancomycin, morphine sulfate liposome (DepoDur), stress ulcer prophylaxis
- 2005-present Infection Prevention Committee, pharmacist representative
- Development of antibiogram, 2011 – present
 - Mandatory influenza vaccine sub-committee, 2013 – 2016
 - Review charts as needed for physician antibiotic prescribing intervention needs based on nosocomial infection marker trends – 2010 – present
- 2015-present Antimicrobial Stewardship Subcommittee of the Clinical Excellence Program, pharmacist member
- Continuation of work started on the Pharmacy and Therapeutics Antibiotic Sub-committee
 - See Clinical Service: Pharmacist leader of SBMC Antimicrobial Stewardship Program
 - 2016 and 2017 fiscal year goals: decrease Vancomycin usage
 - 2018 fiscal year goal: increase antibiotic order set utilization
 - 2019 fiscal year goal: decrease broad spectrum gram-negative antibiotic usage
 - 2020 annual goal: decrease meropenem and ertapenem usage
 - 2021 annual goal: decrease meropenem usage
- 2005-15 Pharmacy and Therapeutics Antibiotic Sub-committee, co-chair
- Development of antimicrobial stewardship rounds, 2010-present

- Development of antibiotic education and required competencies for all staff pharmacists, 2010 - present
 - Development of policy for intravenous to oral conversions for antibiotics and anti-secretory medications, 2010
 - Development of continuous renal replacement therapy dosing of antibiotics by pharmacists, 2010
 - Development of policy and procedure for renal dosing of antibiotics and other high volume medications, 2009
 - Development of pharmacist-managed pharmacokinetics dosing program
 - Developed policy and procedures 2006-2007
 - Full time pharmacokinetics pharmacist, 2006-2008
 - Updated normal laboratory reference range for vancomycin trough values, 2009
 - Education of pharmacy, nursing, and physician staff, 2006-2007; follow-up with updated information and as needed, 2006 - 2012
 - As needed pharmacokinetics pharmacist, 2009 - 2012
 - Development of education for St. Bernards' nursing orientation
- 2020-present Pharmacy Residency Advisory Council
- Member
- 2011-14 Pharmacy Residency Council
- Residency coordinator
 - Establishment of accredited PGY1 pharmacy residency program
- 2016-present Evidence-Based Medicine (EBM) Committee, pharmacist representative as needed
- 2009-13 EBM Physician order sets developed/reviewed/updated
- 2013: 57
 - 2012: 87
 - 2011: 91
 - 2010: 81
 - 2009: 31
- 2009-13 Continuing Medical Education Steering Committee, charter member
- Development of Grand Rounds and Journal Club interdisciplinary education
- 2010 Education Research Council, pharmacist representative
- 2007-09 Pharmacy and Therapeutics *ad hoc* Anticoagulation Team, lead co-chair
- Contributor to the development of anticoagulation education and competencies for all staff pharmacists, 2011 - 2012

- Development of pharmacist-driven anticoagulation monitoring program, including initial and ongoing education of staff pharmacists, 2008-2009
 - Development and revision of physician order sets, policies, procedures, and education (house wide and all disciplines) to meet the Joint Commission Anticoagulation National Patient Safety Goals, 2008
- 2009 Diabetes Focus PDCA, pharmacist representative
- Led to diabetes *ad hoc* committee that developed basal/bolus and insulin pump physician order sets
- 2009 Core Measures Stroke Team, pharmacist representative
- Developed stroke physician order set/protocol
- 2009 Core Measures Pneumonia Team, pharmacist representative
- Developed pneumonia blue print
- 2008 Care of the Hospitalized Older Adult Team, pharmacist representative
- Literature review led to development of delirium order set with incorporation of potential drug-induced delirium reminders and EBM medication treatment
- 2008 Pharmacy Challenge Team: Training and Development, team captain
- Led to continuous education for pharmacy staff

Educational Service (not aforementioned)

- 2005-present Completed in coordination with other initiatives and on as needed/requested basis, including involvement in the annual safety education
- Representative examples (*not already aforementioned*)
 - Updated nursing guidelines for drawing drug levels for Nursing Professional Practice Committee, 2009
 - An Overview of Diabetes Care (*invited by Arkansas State University nursing faculty and certified diabetes educator*) – developed medication section Nursing continuing education self-learning packet - May 2007; update May 2010 and May 2011

Other Service

- 2011 Pharmacy week co-coordinator
- 2005-10 Pharmacy week coordinator
- Coordinate community promotion and activities related to profession of pharmacy and health education/screenings
- 2008 Clinical Pharmacy Business Plan, clinical pharmacist contributor
- Compiled portion of literature review

Other Professional Service

2012-2018	Peer reviewer for <i>Hospital Pharmacy</i> journal
2011	Provided antibiotic educational materials to Arkansas Medical Board per request of pharmacist member
2015-17; 2012; 2008-09	ASHP student poster mentor, ASHP Midyear Clinical Meeting

Community Service

- Professional
 - 2017-present U.S. Antibiotics Awareness Week, pharmacist volunteer for professional and community education, Jonesboro, AR
 - 2012 St. Bernards Health and Wellness Institute Education, “CDC Get Smart about Antibiotics Week,” pharmacist volunteer, Jonesboro, AR
 - 2011 St. Bernards employee and patient/family “pharmacist meet and greet” about cough and cold options and flu vaccine information, pharmacist volunteer, Jonesboro, AR
 - 2011 St. Bernards Senior Life Center “brown bag” and flu vaccine presentation, pharmacist volunteer, Jonesboro, AR
 - 2010 St. Bernards Community Education, “Proper Use and Safety of OTC and Rx Meds,” presenter, Teleflora, Inc., Paragould, AR
 - 2007 Cathedral Baptist Church AWANAS Program, “Correct Handwashing demonstration,” presenter, Jonesboro, AR
 - 2006 Healthy Aging Fair “brown bag”, pharmacist volunteer, Jonesboro, AR
 - 2006 St. Bernards Community Education, Valley View Kindergarten medication and poison control presentation with McGruff the crime dog, coordinator and co-presenter, Jonesboro, AR
 - 2006 St. Bernards employee GERD screening, coordinator, Jonesboro, AR
 - 2005 St. Bernards Village presentation on Medicare Part D and medication-related questions, coordinator and co-presenter, Jonesboro, AR
 - 2004 Louisiana Bioterrorism Preparedness and Emergency Response/Louisiana Strategic National Stockpile Deployment Exercise, pharmacist participant, Bossier City, LA
 - 2003 St. Vincent DePaul (indigent) Pharmacy patient education in-services, Monroe, LA
 - Oral Health for Patients With Diabetes Mellitus, Proper Foot Care, Glycemic Index, Healthy Portions for a Healthy You

- Unrelated to Profession
 - 2019 and 2021 Cathedral Baptist Church, children's Christmas program director
 - 2006-2007; Cathedral Baptist Church, AWANAS participant
 - 2010-present
 - Puggles leader: 2010-2012
 - SPARKS leader: 2006-2007; 2013-2016
 - SPARKS director: 2016-present
 - 2019-present Scout Troup #134 parent helper to fulfill community service hours
 - 2014-present Cub Scout Den #1225 parent helper to fulfill community service hours
 - 2011-2020 Cathedral Baptist Church Wee Worship
 - Worker: 2011-2020
 - Coordinator: 2016-2017
 - 2008-2018 Cathedral Baptist Church nursery worker
 - 2007-present Cathedral Baptist Church substitute Sunday school teacher
 - 2006-present Cathedral Baptist Church choir, soloist
 - 2006-present Samaritan's Purse Operation Christmas Child, participant
 - 2009-11 Jingle Bell Walk/Run for the Arthritis Foundation, participant
 - 2007-11 Susan G. Komen Breast Cancer Foundation, participant
 - 2008 HMG Health and Fitness EXPO, set-up volunteer
 - 2005-07 United Way Day of Caring, volunteer
 - Abilities Unlimited, 2007
 - Salvation Army, 2006
 - Northeast Arkansas Food Bank, 2005
 - 2005 Red Cross, certified volunteer
