

# Pharmacy Student Summer Research Fellowship Proposal for 2021

---

## **FACULTY INFORMATION:**

**NAME:** Lisa C Hutchison  
**DEPARTMENT:** Pharmacy Practice

**LOCATION:** Little Rock

---

## **PROJECT INFORMATION:**

**TITLE:** Survey of Residency Program Directors Perceptions of Resident Research projects and the Certificate Program

**LOCATION OF THE PROJECT:** Little Rock

**BRIEF DESCRIPTION OF THE PROJECT:** We have offered a Resident Research Certificate Program for pharmacy residents in the state of Arkansas for 5 years. In order to evaluate the usefulness of the program, its quality, and opportunities for improvement, residency program director (RPD) opinions are needed. A survey using Survey Monkey will be created and distributed to the participating RPDs. The survey will contain both quantitative and qualitative components based upon literature and the recommendations of the Postgraduate/Residency Research Committee members.

**STUDENT'S RESPONSIBILITIES-DUTIES IN THE PROPOSED PROJECT:** Perform literature review, develop survey, compile survey results, help interpret results, and present findings to Postgraduate/Residency Research Committee.

**ESTIMATED TIME FOR PROJECT COMPLETION:** \_\_10\_\_ weeks

**DOES THE WORK INVOLVE ANIMAL RESEARCH?** YES -----  
NO -X-----

## **ORAL/POSTER PRESENTATION OPPORTUNITY:**

AAHP meeting (October); ASHP Midyear Clinical Meeting (December)

**MANUSCRIPT SUBMISSION:** Possible journal names for this work to be submitted: JACCP, AJHP Residents Edition, Currents in Teaching
